Certificado Energético: E

Área Bruta: 195 🛭

Each house is a Being and this Being is the Treasure.

A treasure is a large quantity of gold, silver, jewels and precious stones, usually stored in a chest.

This T8 house, located on Calçada do Pico, will make you feel like you have found the key to the great treasure. A few minutes from the center of Funchal, and surrounded by a wide range of commerce, treasure is spread over four spacious floors.

Área Terreno: 123 🛭
